Transportation Systems Sector

7. *June 29, WDRB 41 Louisville* – (Kentucky) **Interstate 71 reopens following fatal crash.** Interstate 71 in east Louisville was shut down for more than 4 hours June 29 at mile marker 7 due to a fatal 2-vehicle accident that killed one and injured 3 others. Source: <http://www.wdrb.com/story/29428887/multi-vehicle-fatal-crash-shuts-down-northbound-interstate-71>
8. *June 28, Chicago Tribune* – (Illinois) **Fatal accident temporarily shuts down I-80 in Morris.** A portion of Interstate 80 at mile marker 112 east in Morris was shut down for approximately 4 hours June 28 while crews cleared the scene of a 5-vehicle accident that killed 1 person and injured 3 others. Source: <http://www.chicagotribune.com/news/local/breaking/ct-westbound-i80-shut-down-in-morris-after-accident-20150628-story.html>
9. *June 28, NBC News* – (Massachusetts) **Three killed when plane slams into**

Massachusetts house. The U.S. Federal Aviation Administration and the National Transportation Safety Board are investigating after a small Beechcraft BE36 plane crashed into a house in Plainville, Massachusetts, and killed 3 people aboard the plane June 28. The house became engulfed in flames and the four people inside the home escaped safely.

Source: <http://www.nbcnews.com/news/us-news/three-killed-when-plane-slams-massachusetts-house-police-n383486>

10. *June 28, Greenville News* – (South Carolina) **Both lanes reopened after deadly tanker crash.** Interstate 26 in Spartanburg County reopened June 28 after both lanes were closed while crews investigated and replaced a damaged guardrail due to a multi-vehicle wreck that killed 3 people and injured 1.
Source: <http://www.greenvilleonline.com/story/news/local/2015/06/27/three-dead-fiery-wreck/29392357/>
11. *June 28, KOKI 23 Tulsa* – (Oklahoma) **Highway reopened after overturned semi spilled cattle.** Highway 16 in Bristow was closed for approximately 6 hours June 28 after a semi-truck hauling cattle overturned, causing 40 cows to go loose while 30 were trapped inside and 3 died. Crews remained looking for cows that ran away from the incident.
Source: <http://www.fox23.com/news/news/local/cow-truck-overturms-dumps-cows/nmnJt/>
12. *June 28, Fond Du Lac Reporter* – (Wisconsin) **Seven injured in Highway 33 collision Sunday.** Highway 33 in Herman in Dodge County was shut down for more than 2 hours while crews investigated a crash that involved 3-vehicles and injured 7 people June 28.
Source: <http://www.fdlreporter.com/story/news/local/2015/06/29/seven-injured-highway-collision-sunday/29450965/>
13. *June 28, Honolulu Star-Advertiser* – (Hawaii) **Kapolei brush fire closes portion of H-1 freeway for 3 hours.** A small brush fire in Kapolei closed a portion of H-1 freeway June 28 for approximately 3 hours while fire crews responded to the scene.
Source: http://www.staradvertiser.com/news/breaking/20150628_Portion_of_H1_near_Kapolei_closed_due_to_brush_fire.html?id=310506921
14. *June 27, WFAA 8 Dallas* – (Texas) **DFW-bound flight diverted to non-commercial airport.** A Delta Air Lines flight from LaGuardia Airport in New York to Dallas/Fort Worth International Airport was diverted to Majors Airport in Greenville, Texas, June 26, after running low on fuel as storms blew into North Texas. Crews were called in to refuel the aircraft and the flight continued to Dallas/Fort Worth about 3 hours later.
Source: <http://www.wfaa.com/story/news/local/2015/06/26/dfw-bound-flight-diverted-to-non-commercial-airport/29378001/>

Food and Agriculture Sector

15. *June 27, U.S. Department of Agriculture* – (National) **Grand BK Corp. recalls Goodies by Nature Raw Cashews, new wt. 9oz because of possible health risk.** Grand BK Corp., of Maspeth, New York is recalling 450 cases of Goodies Cashew Raw packaged in 9-ounce clear plastic tubes due to potential salmonella contamination June 27. The products were shipped to “H Mart” retail stores nationwide.
Source: <http://www.fda.gov/Safety/Recalls/ucm453006.htm>
16. *June 26, U.S. Food and Drug Administration* – (National) **H-E-B issues voluntary recall H-E-B hamburger and hotdog buns and Hill Country Fare hotdog buns recalled for quality issues. All product on the shelf as of Friday June 26th is not included.** The U.S. Food and Drug Administration reported June 26 that H-E-B is voluntarily recalling H-E-B brand hamburger and hotdog buns and Hill Country Fare hotdog buns due to potential foreign material contamination that may impact the quality of the product. Products with the expiration date from July 2 – July 4 were affected.

Information Technology Sector

22. *June 29, Securityweek* – (International) **Security firm discloses details of Amazon Fire Phone vulnerabilities.** MWR InfoSecurity released details on three recently patched Amazon Fire Phone vulnerabilities, including flaws in the CertInstaller package that can allow third party applications to install digital certificates to intercept encrypted traffic via man-in-the-middle attacks, and an issue with the Android Debug Bridge (ADB) in which an attacker could bypass the lock screen, steal information, add and remove applications, and access a high privilege shell on the phone.
Source: <http://www.securityweek.com/security-firm-discloses-details-amazon-fire-phone-vulnerabilities>

23. *June 29, Help Net Security* – (International) **Hackers are exploiting Magento flaw to steal payment card info.** A security researcher from Sucuri Security discovered that attackers are actively exploiting a flaw in eBay's Magento platform to steal users' billing and payment card information by injecting malicious code into Magento's core file. Researchers are investigating the attack vectors to identify the vulnerability.
Source: <http://www.net-security.org/secworld.php?id=18565>
24. *June 29, Softpedia* – (International) **LG's Update Center app fails to check server's SSL certificate, MitM risk.** Security researchers from Search-Lab discovered a vulnerability in LG's Update Center application on Android phones in which an attacker could exploit the fact that the app does not check the secure sockets layer/transport layer security (SSL/TLS) certificate of the update server to execute a man-in-the-middle (MitM) attack and install arbitrary applications on the device.
Source: <http://news.softpedia.com/news/lg-s-update-center-app-fails-to-check-server-s-ssl-certificate-mitm-risk-485551.shtml>
25. *June 29, Securityweek* – (International) **Flash player flaw used by APT3 group added to Magnitude exploit kit.** A French security researcher discovered that an exploit for a recently patched Adobe Flash Player heap buffer overflow vulnerability, leveraged by the APT3 threat group has been added to the Magnitude exploit kit (EK).
Source: <http://www.securityweek.com/flash-player-flaw-used-apt3-group-added-magnitude-exploit-kit>
26. *June 26, IDG News Service* – (International) **Samsung will stop blocking Microsoft software updates 'within a few days'.** Samsung reported that users will be receiving a patch through the Samsung Software Update notification process to revert back to restore default Microsoft Windows Update settings, after a security researcher discovered that the company had disabled Windows Update to de-conflict with its SW Update service.
Source: http://www.networkworld.com/article/2941553/samsung-will-stop-blocking-microsoft-software-updates-within-a-few-days.html#tk.rss_all
